Dear Miss Green:

Thank you for the parcel. The contents were well-used and appreciated.

We held Coin Week Canada here in Calgary with displays in the Central Library and a display at City Hall representing "Coin Collecting - World-wide Hobby". We had a very good response.

Again, thank you for the parcel. Everyone enjoyed the buttons and brochures.

Would you please send 20 A.N.A. Participation certificates.

Art Cave
Coordinator for Coin Week Canada
